

REMARKS

The above amendment cancels all product claims from the present application and replaces such claims with a set of method claims directed to a method of making a moisture and heat resistant container. Basis for these method claims can be found in the specification and the originally filed claims. No new matter has been added.

In the event the Examiner has questions regarding this amendment or during the course of the examination and/or allowance of the application, he/she is invited to contact the undersigned agent for applicant by telephone at (412) 380-0725, if necessary to resolve any remaining questions or issues by interview and/or Examiner's Amendment as to any matter.

Respectfully submitted,
